

Keep Distance, Stay Connected

Dahua USB camera provides clear and easy communication during the epidemic

High Quality Video Call

Real Plug & Play

High Compatibility

Dahua USB camera provides clear and easy communication during the epidemic

Background

As COVID-19 continues to spread, many cities around the world have implemented preventive measures to fight against this pandemic, including restricting people gathering in public areas. This paved way to the increasing need for remote working and studying. Our USB camera is an ideal choice for a clear, fluent and easy communication.

Features

High Definition Video

- Clear video with high resolution of 720P/1080P/5MP.
- Auto focus feature ensures clarity of images.
- H.264 encoding brings smooth visual experience.

High Quality Audio

- Supports up to 5 meters sound pickup distance.
- Advanced beamforming and noise reduction technology provides clear stereo audio.

Simple Operation

- Real plug & play with USB connection.
- Driver-free adaption to Windows, Linux, Mac OS, Android, etc.
- Compatible with common video chat and conferencing platforms in accordance with UVC protocol.

Application Scenarios

Video Conference

Remote Teaching
