DHI-ISC-ED0005

Super Detacher

- Adapt to most magnetic unlock EAS Labels.
- Elaborately appearance and super magnetic force, make this operation convenient.
- Minimalist design and embedded installation make the counter neat and beautiful.
- Strong and durable shell material protects the core magnetic material in all directions.

System Overview

Super Detacher is an excellent EAS unlocking device which used to unlock EAS Labels. Elaborately appearance and embedded installation make this operation convenient. The super magnetic force can open most of Labels. In addition, the inner layer is designed for strong magnetic core focusing, with strong magnetic force and quick nail suction.

Features

Adaptability
Up to 9500 GS super magnetic, can unlock most of the EAS Labels which unlocked through magnetic force.

Security
The rugged shell protects the magnetic material while isolating the magnetic field, preventing interference with electrical equipment or accidental inhalation of foreign matter.

Good Detection Effect
High detection rate, good anti-theft effect.

Scene

The detacher can detach various EAS Labels.
